GRAND LODGE OF GOOD TEMPLARS.—At the session of the Grand Lodge of Good Templars of Virginia, Golden Light Lodge room, yesterday, with the new Worshipful Master, W. W. Barry, esq., in the chair.

Joe R. L. of the Grand Lodge of California, and Mrs. M. E. Cardy, of the Grand Lodge of Missouri, delivered interesting addresses.

The Committee on the State of the Order made an encouraging report, complimenting the grand officers at the past year for their valuable services to the cause, which was adopted.

The Committee on the Lecture System presented a report containing a list of the District Deputy systems, recommending the appointment of three State Lecturers and requesting the G. W. Chief Templer to have one hundred days of service during the coming year. After a lengthy discussion the report was adopted, and Col. J. M. Kiteen and Maj. J. F. Davies of Louisiana, and J. J. Davis, of Prince William, were selected as State Lecturers. An appropriation of \$1,500 was made for the expenses of the State Lecturers, who are to devote 300 days to the work.

A resolution respecting the G. W. C. T. to issue an address to the members of the State, was adopted.

A resolution of thanks to Golden Light Lodge, to the citizens of Alexandria, and the railroad companies, was also adopted.

The Committee on Jack-in-the-Pulpit recommended, during the prosecution of that branch of the camp race work, and recommending an appropriation for the expenses of the Chief Superintendent, T. E. Taylor, of Loudon. The report was adopted.

The standing committee for the year were then appointed, and the Grand Lodge adjourned at 8:15 o'clock.

Upon the usual meeting of the Grand Lodge, under a resolution offered by J. J. Davis, Dr. W. S. Christian, of Middlesex, W. W. Barry, of Bedford, and J. P. Shepherd, of Fauquier, were appointed delegates to the Local Option Convocation, which meets in Charlottesville December 2.

The remainder of the session was devoted to formal remarks. Short addresses were made by Rev. Dr. Poulsen, W. D. G. O. Davis, Dr. W. S. Christian, T. E. Taylor, B. W. Mills, Geo. W. Francis and others.

After the singing of the hymn, "Shall we gather at the river," during which there was a general hand shaking, the Grand Lodge at 12:30 adjourned to meet at Warrenton on the first Tuesday in November, 1882.

This session of the Grand Lodge was one of the most harmonious and pleasant ever held, and many of the delegates returned to their homes this morning well pleased with their stay at Alexandria.

A NEGRO MAN'S ASSAULT ON A LITTLE COLORED GIRL.—W. H. Lewis, the colored constable of J. Hanson District, Alexandria City, arrived at the jail, in this city, last night, with Lewis, Esq., colored, who had been examined by Justice Wormy, of said county, for the assault of the grand jury of the County Court, charged with an indecent assault upon a colored girl named Kate Miller, ten years of age, in company with Cox, a large black man, went to the house of Kate Miller, colored, near Fairmount Run on the 17th of last month, and, finding the girl alone, committed an indecent assault upon her. After accomplishing his purpose, he threatened to kill his victim if she informed on him. The girl's condition became such that a physician was sent for, when an examination revealed that, not only had the girl not been assaulted upon her, but that she had been diseased also. The girl was then forced by her parents to reveal the name of her assailant, and Cox was arrested and committed yesterday, as stated above.

THE REFORM CLUB.—A most interesting meeting of the Alexandria Reform Club was held last night, with H. M. Folz, President, in the chair, and Geo. W. Hawkhurst, secretary. A large crowd was in attendance, including many of the visiting Good Templars, who signed their names to the club pledge. After the transaction of some routine business, Mr. Robert W. Forsyth, of Baltimore, a student at the Theological Seminary, was introduced. For over an hour he entertained those present by his excellent reading of pathetic and amusing selections from a number of the best authors. At the adjournment of the meeting, the members of the club, nearly all of whom are Good Templars, visited the Grand Lodge of that Order, which was in session in Golden Light Lodge room.

FUN AND MESMERISM.—Prof. Carter's lecture on "Mesmerism," at Armory Hall, on Monday evening, for the benefit of the Alexandria Reform Club, promises to be an enjoy-able affair. The Professor's handling of the subject is very entertaining, and is thoroughly enjoyable. Those who have attended his mesmeric entertainments will be sure to go again. An exchange says:

"The exhibition of the will power is wonderful. The force he exerts over the minds of others is simply inexplicable, and in the days of superstition would have been termed witchcraft. The scenes and actions of his subjects are extremely laughable, and furnish food for many hours of after enjoyment. No one should fail to see him."

The Reform Club, their friends, an evening of fun and rare profit.

A VIRGINIA FARMER IN TROUBLE.—Geo. Sedgwick, representing himself as a Virginia farmer, has gotten into trouble in Washington. It appears that Sedgwick, an expert marksman, who has been in Washington for the past, on a spree, undertaken to replenish his depleted purse by forging the name of Charles Lee, a retired buccaneer, to a cieck on the Bank of Washington, for \$21, and then influenced Frank Brooks, to get it cashed for him. John English, formerly of this city, but now keeper of the Chesapeake restaurant, on Pennsylvania Avenue, furnished the money, and on presenting the check to the bank, found it to be a forgery. Sedgwick was arrested and arraigned in the Police Court yesterday, but, by consent of counsel on both sides, the case was continued till to day.

THE MARKET THIS MORNING.—The market this morning was poorly supplied, owing partly to the cold weather and partly to the fact that the country people have little produce to bring for sale. Prices were about the same as last Saturday, as follows: Rabbins 20 cents per pound, turkeys 12½ cents per pound; chicken 50 cents per pair, country poults 10¢ per pound, corn hens 15¢ per quart, eggs 5½ cents per dozen, scalded 5¢ per bushel, spinach 40¢ per pick, persimmons 25¢ per bushel, turnips 20¢ per bushel, radishes 2½ cents per dozen, carrots from 3 to 25¢ per head, eggs 55¢ per dozen, butter 35¢ per pound, bacon 15¢ per pound, white perch 20¢ per bushel and rock 25¢ per bushel.

FORGE NOTES.—Major Beckham had before him this morning Will Hill and Bill Billings, both colored, charged by Rev. Webb, of the Shiloh Church, with disturbing a religious assembly Thursday night. On examination the parties concerned were discharged, as the evidence was not sufficient to impanel them in the row. Joseph Brown, the leader of the posse-breakers, for whose arrest a warrant was issued yesterday, has, it is supposed, left the city.

Methodist Church.—Services at 11 a. m. and 7:30 p. m. by Rev. Dr. Poulsen.
